115			and improvements. If there are completed improvements on the Property by January 1 of the year of the
116			Closing, which improvements were not in existence on January 1 of the prior year, taxes will be prorated based

149			radon and radon testing may be obtained from your county public health unit. Buyer may, within the Inspection

- (d) Homeowners' Association: If membership in a homeowners' association is mandatory, an association disclosure summary is attached and incorporated into this Contract. BUYER SHOULD NOT SIGN THIS CONTRACT UNTIL BUYER HAS RECEIVED AND READ THE DISCLOSURE SUMMARY.
- (e) PROPERTY TAX DISCLOSURE SUMMARY: BUYER SHOULD NOT RELY ON THE SELLER'S CURRENT PROPERTY TAXES AS THE AMOUNT OF PROPERTY TAXES THAT BUYER MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT TO PURCHASE. A CHANGE OF OWNERSHIP OR PROPERTY IMPROVEMENTS TRIGGERS REASSESSMENTS OF THE PROPERTY THAT COULD RESULT IN HIGHER PROPERTY TAXES. IF YOU HAVE ANY QUESTIONS CONCERNING VALUATION, CONTACT THE COUNTY PROPERTY APPRAISER'S OFFICE FOR FURTHER INFORMATION.
- **(f) Mold:** Mold is part of the natural environment that, when accumulated in sufficient quantities, may present health risks to susceptible persons. For more information, contact the county indoor air quality specialist or other appropriate professional.
- (g) Coastal Construction Control Line: If any part of the Property lies seaward of the coastal construction control line ("CCCL") as defined in Section 161.053, Florida Statutes, Seller will provide Buyer with an affidavit or survey as required by law delineating the line's location on the Property, unless Buyer waives this requirement in writing. The Property being purchased may be subject to coastal erosion and to federal, state, or local regulations that govern coastal property, including delineation of the CCCL, rigid coastal protection structures, beach nourishment, and the protection of marine turtles. Additional information can be obtained from the Florida Department of Environmental Protection, including whether there are significant erosion conditions associated with the shoreline of the Property being purchased.
 - ☐ **Buyer** waives the right to receive a CCCL affidavit or survey.
- 8. Maintenance, Inspections, and Repair: Seller will keep the Property in the same condition from Effective Date until Closing, except for normal wear and tear ("Maintenance Requirement") and repairs required by this Contract. Seller will provide access and utilities for Buyer's inspections and appraisals. Buyer will repair all damages to the Property resulting from the inspections, return the Property to its pre-inspection condition, and provide Seller with paid receipts for all work done on the Property upon its completion. If Seller is unable to complete required repairs or treatments or meet the Maintenance Requirement before Closing, Seller will give Buyer a credit at Closing for the cost of the repairs and maintenance Seller was obligated to perform. At Closing, Seller will assign all assignable repair and treatment contracts to Buyer and provide Buyer with paid receipts for all work done on the Property pursuant to the terms of this Contract.
 - (a) Warranty, Inspections, and Repair:
 - (1) Warranty: Seller warrants that non-leased major appliances; heating, cooling, mechanical, electrical, security, sprinkler, septic, and plumbing systems; seawall; dock; and pool equipment, if any, are and will be maintained in working condition until Closing; that the structures (including roofs, doors, and windows) and pool, if any, are structurally sound and watertight; and that torn or missing screens, missing roof tiles, and fogged windows will be repaired or replaced. Limited remaining life of any warranted item will not be considered a defect that must be repaired or replaced by Seller. Seller does not warrant and is not required to repair cosmetic conditions, unless the cosmetic condition resulted from a defect in a warranted item. Seller is not obligated to bring any item into compliance with existing building code regulations unless necessary to repair a warranted item. "Working condition" means operating in the manner in which the item was designed to operate and "cosmetic conditions" means aesthetic imperfections that do not affect the working condition of the item, including pitted marcite; tears, worn spots, and discoloration of floor coverings/wallpapers/window treatments; caulking in bathroom; nail holes, scratches, dents, scrapes, and chips in ceilings/walls/flooring/tile/fixtures/mirrors; cracked roof tiles; curling or worn shingles; and minor cracks in floor tiles/windows/driveways/sidewalks/pool decks/garage and patio floors.
 - (2) Professional Inspection: Buyer may, at Buyer's expense, have warranted items inspected by a person who specializes in and holds a license (if required by law) to conduct home inspections or who holds a Florida license to repair and maintain the items inspected ("professional inspector"). Buyer must, within 5 days after the end of Inspection Period, deliver written notice of any items that are not in the condition warranted and a copy of the portion of the inspector's written report dealing with such items to Seller. If Buyer fails to timely deliver written notice, Buyer waives Seller's warranty and accepts the items listed in Subparagraph (a) above in their "as is" conditions, except that Seller must meet the Maintenance Requirement.
 - (3) Repair: Seller will obtain repair estimates and is obligated only to make repairs necessary to bring warranted items into the condition warranted, up to the Repair Limit. Seller may, within 5 days after receipt of Buyer's notice of items that are not in the condition warranted, have a second inspection made by a

- professional inspector and will report repair estimates to **Buyer**. If the first and second inspection reports differ and the parties cannot resolve the differences, **Seller** and **Buyer** together will choose, and equally split the cost of, a third inspector, whose written report will be binding on the parties. If the cost to repair warranted items equals or is less than the Repair Limit, **Seller** will have the repairs made in a workmanlike manner by an appropriately licensed person. If the cost to repair warranted items exceeds the Repair Limit, either party may cancel this Contract unless either party pays the excess or **Buyer** designates which repairs to make at a total cost to **Seller** not exceeding the Repair Limit and accepts the balance of the Property in its "as is" condition.
- (b) Wood-Destroying Organisms: "Wood-destroying organism" means arthropod or plant life, including termites, powder-post beetles, old house borers, and wood-decaying fungi, that damages or infests seasoned wood in a structure, excluding fences. **Buyer** may, at **Buyer's** expense, have the Property inspected by a Florida-licensed pest control business to determine the existence of past or present wood-destroying organism infestation and damage caused by infestation. If the inspector finds evidence of infestation or damage, **Buyer** will deliver a copy of the inspector's written report to **Seller** within 5 days after the date of the inspection. If **Seller** previously treated the Property for the type of wood-destroying organisms found, **Seller** does not have to treat the Property again if (i) there is no visible live infestation and (ii) Seller transfers to Buyer at Closing a current full treatment warranty for the type of wood-destroying organisms found. Seller will have 5 days after receipt of the inspector's report to have reported damage estimated by a licensed building or general contractor and corrective treatment, if required, estimated by a licensed pest control business. Seller will have treatments and repairs made by an appropriately licensed person at **Seller's** expense up to the WDO Repair Limit. If the cost to treat and repair the Property exceeds the WDO Repair Limit, either party may pay the excess, failing which either party may cancel this Contract by written notice to the other. If **Buyer** fails to timely deliver the inspector's written report, Buyer accepts the Property "as is" with regard to wood-destroying organism infestation and damage, subject to the Maintenance Requirement.
- (c) Permits: Buyer may, at Buyer's expense, inspect and examine records and documents to determine whether any open or expired building permits or unpermitted improvements to the Property exist. Buyer will, before the end of the Inspection Period, deliver written notice to Seller of the existence of such; and Seller will remedy the reported items up to the Permit Limit and have final inspections completed no later than 5 days before Closing. If final inspections cannot be performed due to delays by the governmental entity, Closing will be extended for up to 10 days to complete such final inspections, failing which either party may cancel this Contract; and Buyer's deposit(s) will be refunded. At Closing, Seller will provide Buyer with written documentation that all reported items have been remedied. If the cost to remedy reported items exceeds the Permit Limit, either party may cancel this Contract unless either party pays the excess or Buyer accepts the Property in its "as is" condition and Seller credits Buyer at Closing the amount of the Permit Limit.
- (d) Walk-Through Inspection; Reinspection: On the day before Closing or at any other time agreeable to the parties, Buyer, and/or Buyer's representative, may walk through the Property solely to verify that Seller has made repairs required by this Contract, has met the Maintenance Requirement, and has met contractual obligations. If Buyer, and/or Buyer's representative, fails to conduct this inspection, Seller's repair obligations and Maintenance Requirement will be deemed fulfilled.
- 9. Risk of Loss: If any portion of the Property is damaged by fire or other casualty before Closing and can be restored by Closing or within 45 days after Closing Date to substantially the same condition as it was on Effective Date, Seller will, at Seller's expense, restore the Property and deliver written notice to Buyer that Seller has completed the restoration; and the parties will close the transaction on the later of Closing Date or 10 days after Buyer receives Seller's notice. Seller will not be obligated to replace trees. If restoration cannot be timely completed, Buyer may cancel this Contract, and Buyer's deposit(s) will be refunded; or Buyer may accept the property "as is" and Seller will credit the deductible and assign the insurance proceeds, if any, to Buyer at Closing in such amounts as are attributable to the Property and not yet expended in restoring the Property to the same condition as it was on Effective Date.
- **10. Title: Seller** will convey marketable title to the Property by statutory warranty deed or trustee, personal representative, or guardian deed as appropriate to **Seller's** status.
 - (a) Title Evidence: Title evidence will show legal access to the Property and marketable title of record in Seller in accordance with current title standards adopted by the Florida Bar, subject only to the following title exceptions, none of which prevent residential use of the Property: covenants, easements, and restrictions of record; matters of plat; existing zoning and government regulations; oil, gas, and mineral rights of record if there is no right of entry; current taxes; mortgages that Buyer will assume; and encumbrances that Seller will discharge before or at Closing. The party paying for the owner's title policy will, at least ______ days (if Paragraph 3(a) is selected then 5 days or if Paragraph 3(b) is selected then 10 days, if left blank) ("Title Evidence Deadline") before

Form Simplicity Closing, deliver to **Buyer** one of the following types of title evidence (see Paragraph **5(c)**), which must be generally accepted in the county where the Property is located. **Seller** will use option (2) in Miami-Dade County.

- (1) A title insurance commitment issued by a Florida-licensed title insurer in the amount of the purchase price and subject only to title exceptions set forth in this Contract.
- (2) An existing abstract of title from a reputable and existing abstract firm (if firm is not existing, then abstract must be certified as correct by an existing firm) purporting to be an accurate synopsis of the instruments affecting title to the Property recorded in the public records of the county where the Property is located and certified to Effective Date. However, if such an abstract is not available to Seller, then a prior owner's title policy acceptable to the proposed insurer as a base for reissuance of coverage. Seller will pay for copies of all policy exceptions and an update in a format acceptable to Closing Agent from the policy effective date and certified to Buyer or Closing Agent, together with copies of all documents recited in the prior policy and in the update. If a prior policy is not available to Seller then (1) above will be the title evidence.
- (b) Title Examination: Buyer will examine the title evidence and deliver written notice to Seller, within 5 days after receipt of title evidence but no later than Closing Date, of any defects that make the title unmarketable. Seller will have 30 days after receiving Buyer's notice of defects ("Curative Period") to cure the defects at Seller's expense. If Seller cures the defects within the Curative Period, Seller will deliver written notice to Buyer and the Closing will occur on Closing Date or within 10 days after Buyer receives Seller's notice if Closing Date has passed. If Seller is unable to cure the defects within the Curative Period, Seller will deliver written notice to Buyer and Buyer will, within 10 days after receiving Seller's notice, either cancel this Contract, extend Curative Period for a specified period not to exceed 120 days, or accept title with existing defects and close the transaction.
- (c) Survey: On or before Title Evidence Deadline, Buyer may, at Buyer's expense, have the Property surveyed and must deliver written notice to Seller within 5 days after receiving survey but no later than Closing, of any encroachments on the Property, encroachments by the Property's improvements on other lands, or deed restriction or zoning violations. If Buyer timely delivers such notice, any reported encroachment or violation will be treated in the same manner as a title defect, and Seller's and Buyer's obligations will be determined in accordance with Subparagraph (b) above.

11. Effective Date; Time; Force Majeure:

- (a) Effective Date: The "Effective Date" of this Contract is the date on which the last of the parties initials or signs and delivers the final offer or counter offer. Time is of the essence for all provisions of this Contract.
- **(b) Time:** All time periods will be computed in business days (a "business day" is every calendar day except Saturday, Sunday, and national legal holidays). If any deadline falls on a Saturday, Sunday, or national legal holiday, performance will be due the next business day. All time periods will end at 5:00 p.m. local time (meaning in the county where the Property is located) of the appropriate day.
- (c) Force Majeure: Seller or Buyer will not be required to perform any obligation under this Contract or be liable to each other for damages so long as the performance or non-performance of the obligation is delayed, caused, or prevented by an "act of God" or "force majeure." An act of God or force majeure is defined as hurricanes, earthquakes, floods, fire, unusual transportation delays, wars, insurrections, acts of terrorism, and any other such causes and which by the exercise of due diligence the non-performing party is unable in whole or in part to prevent or overcome. All time periods, including Closing Date, will be extended for the period that the act of God or force majeure is in place. However, if such act of God or force majeure event continues beyond 30 days, either party may cancel this Contract by delivering written notice to the other; and Buyer's deposit(s) will be refunded.
- 12. Notices: All notices will be in writing and will be delivered to the parties and Broker by mail, personal delivery, or electronic media. Except for the notices required by Paragraph 3 of this Contract, Buyer's failure to timely deliver written notice to Seller, when such notice is required by this Contract, regarding any contingency will render that contingency null and void, and this Contract will be construed as if the contingency did not exist. Any notice, document, or item delivered to or received by an attorney or licensee (including a transaction broker) representing a party will be as effective as if delivered to or received by that party.
- 13. Complete Agreement: This Contract is the entire agreement between Seller and Buyer. Except for brokerage agreements, no prior or present agreements will bind Seller, Buyer, or Broker unless incorporated into this Contract. Modifications of this Contract will not be binding unless in writing, signed or initialed, and delivered by the party to be bound. Electronic signatures will be acceptable and binding. Signatures, initials, documents referenced in this Contract, counterparts, and written modifications communicated electronically or on paper will be acceptable for all purposes, including delivery, and will be binding. Handwritten or typewritten terms inserted in or attached to this Contract prevail over preprinted terms. If any provision of this Contract is or becomes invalid or

Buyer (_____) (____) and Seller (_____) (_____) acknowledge receipt of a copy of this page, which is Page 6 of 9.

14. Assignability; Persons Bound: Buyer may **not** assign this Contract without **Seller's** written consent. The terms "**Seller**," "**Buyer**," and "Broker" may be singular or plural. This Contract is binding on the heirs, administrators, executors, personal representatives, and assigns (if permitted) of **Seller**, **Buyer**, and Broker.

15. Default:

- (a) Seller Default: If for any reason other than failure of Seller to make Seller's title marketable after diligent effort, Seller fails, refuses, or neglects to perform this Contract, Buyer may choose to receive a return of Buyer's deposit(s) without waiving the right to seek damages or to seek specific performance as per Paragraph 16. Seller will also be liable to Broker for the full amount of the brokerage fee.
- (b) Buyer Default: If Buyer fails to perform this Contract within the time specified, including timely payment of all deposits, Seller may choose to retain and collect all deposits paid and agreed to be paid as liquidated damages or to seek specific performance as per Paragraph 16; and Broker will, upon demand, receive 50% of all deposits paid and agreed to be paid (to be split equally between Brokers) up to the full amount of the brokerage fee.
- **16. Dispute Resolution:** This Contract will be construed under Florida law. All controversies, claims, and other matters in question arising out of or relating to this transaction or this Contract or its breach will be settled as follows:
 - (a) Disputes concerning entitlement to deposits made and agreed to be made: Seller and Buyer will have 30 days after the date conflicting demands are made to attempt to resolve the dispute through mediation. If that fails, Escrow Agent will submit the dispute, if so required by Florida law, to Escrow Agent's choice of arbitration, a Florida court, or the Florida Real Estate Commission ("FREC"). A broker's obligation under Chapter 475, Florida Statutes, and the FREC rules to timely notify the FREC of an escrow dispute and timely resolve the escrow dispute through mediation, arbitration, interpleader, or an escrow disbursement order applies only to brokers and does not apply to title companies, attorneys, or other escrow holders.
 - (b) All other disputes: Seller, Buyer, and Broker will have 30 days after the date a dispute arises between them to attempt to resolve the matter through mediation, failing which the parties, including Broker, will resolve the dispute through neutral binding arbitration in the county where the Property is located. However, no arbitration arising out of or relating to this transaction or this Contract or its breach will include Broker, unless Broker consents in writing to become a party to the proceeding. A demand for arbitration is prohibited if a civil action requesting the same relief would be barred by Florida statute of limitations. The arbitrator may not alter the Contract terms or award any remedy not provided for in this Contract. The award will be based on the greater weight of the evidence and will state findings of fact and the contractual authority on which it is based. If the parties agree to use discovery, it will be in accordance with the Florida Rules of Civil Procedure, and the arbitrator will resolve all discovery-related disputes. For purposes of this Paragraph, Broker will be treated as a party to this Contract. This clause will survive Closing.
 - (c) Mediation and Arbitration; Expenses: "Mediation" is a process in which parties attempt to resolve a dispute by submitting it to an impartial mediator who facilitates the resolution of the dispute but who is not empowered to impose a settlement on the parties. Mediation will be in accordance with the rules of the American Arbitration Association ("AAA") or other mediator agreed on by the parties. The parties will equally divide the mediation fee, if any. "Arbitration" is a process in which the parties resolve a dispute by a hearing before a neutral person who decides the matter and whose decision is binding on the parties. Arbitration will be in accordance with the rules of the AAA or other arbitrator agreed on by the parties. Each party to any arbitration will pay its own fees, costs, and expenses, including attorneys' fees, and will equally split the arbitrators' fees and administrative fees of arbitration.
- 17. Escrow Agent; Closing Agent: Seller and Buyer authorize Escrow Agent and Closing Agent (collectively "Agent") to receive, deposit, and hold funds and other items in escrow and, subject to Collection, disburse them upon proper authorization and in accordance with Florida law and the terms of this Contract, including disbursing brokerage fees. "Collection" or "Collected" mean any checks tendered or received have become actually and finally collected and deposited in the account of Agent. The parties agree that Agent will not be liable to any person for misdelivery of escrowed items to Seller or Buyer, unless the misdelivery is due to Agent's willful breach of this Contract or gross negligence. If Agent interpleads the subject matter of the escrow, Agent will pay the filing fees and costs from the deposit and will recover reasonable attorneys' fees and costs to be paid from the escrowed funds or equivalent and charged and awarded as court costs in favor of the prevailing party. All claims against Agent will be arbitrated, so long as Agent consents to arbitrate.
- 18. Professional Advice; Broker Liability: Broker advises Seller and Buyer to verify all facts and representations that are important to them and to consult an appropriate professional for legal advice (for example, interpreting contracts, determining the effect of laws on the Property and transaction, status of title, foreign investor reporting requirements, the effect of property lying partially or totally seaward of the coastal construction control line, etc.)

and for tax, property condition, environmental, and other specialized advice. Buyer acknowledges that Broker does not reside in the Property and that all representations (oral, written, or otherwise) by Broker are based on Seller representations or public records. Buyer agrees to rely solely on Seller, professional inspectors, and governmental agencies for verification of the Property condition, square footage, and facts that materially affect Property value. Seller and Buyer respectively will pay all costs and expenses, including reasonable attorneys' fees at all levels, incurred by Broker and Broker's officers, directors, agents, and employees in connection with or arising from Seller's or Buyer's misstatement or failure to perform contractual obligations. Seller and Buyer hold harmless and release Broker and Broker's officers, directors, agents, and employees from all liability for loss or damage based on (i) Seller's or Buyer's misstatement or failure to perform contractual obligations; (ii) the use or display of listing data by third parties, including but not limited to photographs, images, graphics, video recordings, virtual tours, drawings, written descriptions, and remarks related to the Property; (iii) Broker's performance, at Seller's and/or Buyer's request, of any task beyond the scope of services regulated by Chapter 475, Florida Statutes, as amended, including Broker's referral, recommendation, or retention of any vendor; (iv) products or services provided by any vendor; and (v) expenses incurred by any vendor. Seller and Buyer each assume full responsibility for selecting and compensating their respective vendors. This Paragraph will not relieve Broker of statutory obligations. For purposes of this Paragraph, Broker will be treated as a party to this Contract. This Paragraph will survive Closing.

19. Brokers: The licensee(s) and brokerage(s) named below are collectively referred to as "Broker." Instruction to Closing Agent: Seller and Buyer direct Closing Agent to disburse at Closing the full amount of the brokerage fees as specified in separate brokerage agreements with the parties and cooperative agreements between the brokers, except to the extent Broker has retained such fees from the escrowed funds. In the absence of such brokerage agreements, Closing Agent will disburse brokerage fees as indicated below. This Paragraph will not be used to modify any MLS or other offer of compensation made by Seller or listing broker to cooperating brokers.
