Unless SELLER delivers to BROKER a written certification, in a form acceptable to BROKER, that SELLER does not desire the Listing Content to be disseminated by a multiple listing service, SELLER acknowledges and agrees that all photographs, images, graphics, video recordings, virtual tours, drawings, written descriptions, remarks, narratives, pricing information, and other copyrightable elements relating to the Property provided by SELLER to BROKER or BROKER's agent (the "SELLER Listing Content"), or otherwise obtained or produced by BROKER in connection with this Agreement (the "BROKER Listing Content"), and any changes to the SELLER Listing Content or the BROKER Listing Content, may be filed with one or more multiple listing services, included in compilations of listings, and otherwise distributed, publicly displayed and reproduced. SELLER hereby grants to BROKER a non-exclusive, irrevocable, worldwide, royalty free license to use, sublicense through multiple tiers, publish, display, and reproduce the SELLER Listing Content, to prepare derivative works of the SELLER Listing Content, and to distribute the SELLER Listing Content or any derivative works thereof. This non-exclusive license shall survive the termination of this Agreement for any reason whatever. SELLER represents and warrants to BROKER that the SELLER Listing Content, and the license granted to BROKER for the SELLER Listing Content, do not violate or infringe upon the rights, including any copyright rights, or any person or entity. SELLER acknowledges and agrees that as between SELLER and BROKER, all BROKER Listing Content is owned exclusively by BROKER, and SELLER has no right, title or interest in or to any BROKER Listing Content.

Unauthorized use of any photography or other media owned by another party, with or without an identifiable watermark, or otherwise known (or unknown) to belong to another party (such as a prior listing agent, photographer, videographer, or from a website) may result in a copyright infringement lawsuit (Copyright Act, 17 U.S.C 501) against the BROKER. Should SELLER or SELLER'S representative provide photos to BROKER for advertising the property named in this AGREEMENT that are not owned by the SELLER, this may cause an action or lawsuit that could result in a significant monetary claim against BROKER. Should legal action be taken against BROKER that results in a court

awarding damages to the Plaintiff/owner of copyrighted materials (or settlement is paid to Plaintiff by BROKER's liability insurance), SELLER agrees to take full responsibility for damages and legal fees and/or repayment of liability insurance deductible plus related damages incurred by BROKER a result of copyright infringement claim.

Multiple Listing Services adhere to strict copyright policies and therefore BROKER can face immediate fines as a result of copyright infringement. Any photography that is downloaded from another site or content (i.e., "property description") that is copied from another listing is potentially a copyright infringement. If your property has been listed by another agent before being listed with us, the photography and content is the property of that agent. It is your responsibility to have written permission to use previously listed photography or content before it is uploaded into our system. Should BROKER incur a fine as a result of copyright infringement by use of the content or photography uploaded by the SELLER, the fine will be assessed to SELLER. Any content or media that is found to be in violation will be immediately removed from all websites and MLS systems where the information is displayed. If MLS assesses fine to BROKER, SELLER will be notified of the infringement and the fine notice and will be responsible for updating photography or content before it can be posted online. Note that copying a property description (entirely or in part) from other unrelated property address is still subject to copyright infringement fines.
